Your training payback

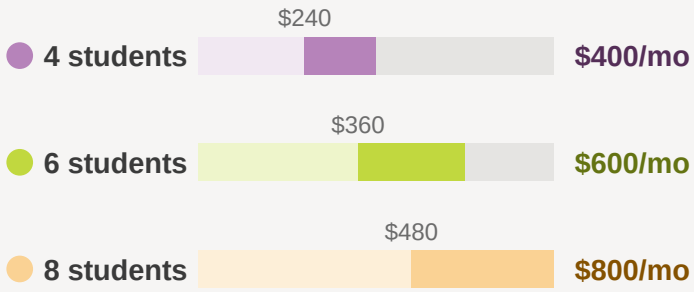
One hour, more students. Here is what group classes can look like in your studio.

Your return at a glance

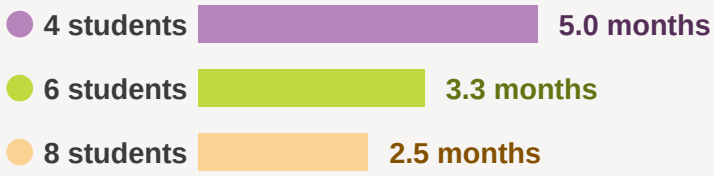
- **Book 1 training: $1,600 founding price (standard $2,000)**
- **Payment plan available at checkout**
- **Groups of 4 to 8 students**
- **$60 to $100 per student per month**
- **2 to 7 months to earn your training back**
- **Annual license: first year free, then $499/year**

A private lesson in your area is about $25 to $45 an hour. These examples use $15 to $25 per student for a group lesson.

Monthly income by group size



Months to earn your $1,600 training back



Each bar is one weekly class, 4 lessons a month. The light part is the low price, the solid part shows how far it grows at the high price.

Examples only. You set your own tuition and schedule. Each student needs a $120 book set.
