Basic Studio

Group Class Launch Kit

From your training to your first full group class. Included with your Book 1 training.

Your path, step by step

During your training: community class

Offer a free or paid music class at your local library or a preschool. Use your own songs and games, since My Music Box songs are for certified teachers. Collect the names of interested families.

After your Book 1 certification

Week 1

Invite families

Invite your community class families, and share your flyer and posts.

Week 2

Trial class and info session

30 minutes of My Music Box songs, then a short parent talk.

Week 3

Enroll and start

Send follow-up emails, enroll families, start your class.

What's in your launch kit

Trial class and info session plan

30 minute class, then a short parent talk.

Flyer and social post templates

Ready to share when you start inviting.

Enrollment follow-up emails

Turn the first visit into enrollment.

Two live coaching calls

Bring questions in your first semester.

Trial class video

Watch a full 30 minute trial class taught with My Music Box songs, then teach your own the same way.
